Orchestral Recording from as little as \$15.00 per musician per hour.

Despite the terrible floods in Prague recently, Tadlow Music and the City of Prague Philharmonic Orchestra are as busy as ever, with the studio taking delivery of Pro Tools equipment in September. Recent visitors to Prague for recording include the Oscar® winning and nominated composers STEPHEN WARBECK (composer of SHAKESPEARE IN LOVE) and LALO SCHIFRIN (composer of BULLITT) as well as LEE HOLDRIDGE recording music for a project for UNICEF.

### Recordings recently supervised by Tadlow Music include:

#### MADISON

Original Soundtrack for the feature film with James Caviezel - star of THE COUNT OF MONTE CRISTO. The Score was Composed by KEVIN KINER (composer of WING COMMANDER) with a Main Theme by CHRISTOPHER YOUNG. It was orchestrated and conducted by NIC RAINE

#### STEVE EDWARDS LIBRARY MUSIC

"In 4 days with the City of Prague Philharmonic Orchestra we recorded 2 full CDs of music for my library - Source in Sync: Orchestral Film & Trailers - and finished on time and on schedule. I found the orchestra to be very musical, pliable, adaptable, efficient and co-operative. Interpreting the music was no problem and they all read music extremely well. Highly recommended" (Steve Edwards - Pacific Pallisades Sept 2002)

#### MOVIES IN MY MIND

2 Albums for the Imagination Development Group of music and stories for the young and imaginative mind. The music was co-composed by MARK COOPER (who is also a specialist child psychologist) and CARL JOHNSON, film and TV composer whose credits include THE HUNCHBACK OF NOTRE DAME II and WINNIE THE POOH.

#### NBC and BSKYB

Recordings for both the American NBC network - composed by RICK PATTERSON - and the British Sky Broadcasting Network - composed by RANDY EDELMAN and JERRY GOLDSMITH - of music for 80-piece orchestra for various promotions, previews and channel logos.

#### STRING OVERDUBS

Various Pop labels are now coming to Prague to record their strings overdubs because of the high quality of string playing found there, including music composed and arranged by KARL JENKINS (of SOFT MACHINE and ADIEMUS fame) for albums by BONNIE TYLER and harp virtuoso CATRIN FINCH; KEITH GETTY; THE ROY ORBISON ORGANISATION, and NIC RAINE's arrangements for a vocal album by GARY WILSON
