### MUSIC FROM THE HUNGER GAMES SAGA

#### JAMES NEWTON HOWARD

Following in the footsteps of Harry Potter, The Hunger Game novels have become a worldwide publishing sensation followed by a series of four films which have grossed close to \$3 billion. Composer James Newton Howard took on scoring the original Hunger Games film when a scheduling conflict took Danny Elfman off the project, thus beginning a sequence of magnificent film music. In a 30 year career his range of composition has been formidable. Scores include The Prince Of Tides, The Fugitive, Batman Begins, King Kong, I

Am Legend, The Dark Knight and the worldwide TV hit ER. His work has received eight Oscar nominations and he has been named BMI Icon at this year's BMI Film & TV Awards. The fifteen tracks assembled here from the film series, in this unique set, highlight his epic composing skills. Performed by The City Of Prague Philharmonic Orchestra, one of the most respected and recorded orchestras in the world, this collection represents some of the most skillful and exquisite symphonic music in cinema today

### THE ESSENTIAL ENNIO MORRICONE FILM MUSIC COLLECTION

Il Maestro - one of the greatest composers of both the 20th and 21st centuries, still performing concerts in his 88th year and finally, but finally winning a competitive Oscar for The Hateful Eight in 2016. Born in Rome in 1928, Morricone began his film career with Il Federale in 1961 and spiralled to worldwide success with his unique music for the Sergio Leone 'Man With No Name' trilogy starring Clint Eastwood, A Fistful Of Dollars, A Few Dollars More and The Good, The Bad And The Ugly. The breadth of his brilliance is underlined by this 41 track selection of some of his greatest scores performed by The City Of Prague Philharmonic Orchestra. One of the most respected and recorded orchestras in the world they pay due homage to the great composer. It's a journey through cinematic genius, six decades of wonderful music. Highlights include the Leone films, 1900, Chi Mai, Once Upon A Time In America, The Mission, The Untouchables, Cinema Paradiso and of course his Oscar winner, The Hateful Eight. As director Quentin Tarantino has said, "I have a

huge record collection that I've been collecting since I was a kid. I realized I have more Ennio Morricone records than I have of anybody else. More than Bob Dylan, more than The Beatles, more than Elvis Presley, more than any rock musician".
