## PRAGUE NEWS

Recent Recordings with THE CITY OF PRAGUE PHILHARMONIC ORCHESTRA at the Barrandov Studios Smecky Soundstage supervised in Prague by Tadlow Music.

### ELMER BERNSTEIN

Hollywood Legend Elmer Bernstein - composer of THE MAGNIFICENT SEVEN, MAN WITH THE GOLDEN ARM, TO KILL A MOCKINGBIRD, THE GREAT ESCAPE, FAR FROM HEAVEN - visited Prague in November to conduct 2 recordings projects:

**CECIL B. DeMILLE.** A new documentary series about the celebrated Hollywood producer/director made by PHOTOPLAY PRODUCTIONS. As Elmer Bernstein scored DeMille's THE TEN COMMANDMENTS in 1956, he was the obvious choice to score the TV series. Elmer relished the chance to compose over 50 different cues in a wide variety of styles covering his 50 years in Hollywood.

**KINGS OF THE SUN.** A brand new digital recording, produced by Cynthia Millar, the renowned Ondes Martenot player and mixed by John Timperley, of one of Elmer's most requested scores from the early sixties for a long (and best) forgotten Yul Brynner movie.

So pleased was Elmer Bernstein with the musicians and the recordings that he has vowed to return to Prague next year for more sessions...when he will be a sprightly 83 years old.

### THE REGENCY HOUSE

Young British composer DANIEL PEMBERTON recorded his second orchestral score for Channel 4 in November. Previously he had been to Prague for his first orchestral score, THE EDWARDIAN HOUSE. The music was conducted by Adam Klemens and recorded by Jan Holzner
