## LONDON NEWS

### SONY STUDIOS - Whitfield Street

It is with great sadness that we have to report the closure by Sony Music of their Whitfield Street Studios. Open since 1965 Whitfield Street (aka CBS Studios, The Hit Factory) offered one of the best rooms and recording facilities in London. It will be sorely missed.

### THE ROYAL PHILHARMONIC ORCHESTRA

Despite a busy concert schedule, including a Film Music Spectacular conducted by PAUL BATEMAN at the Royal Albert Hall on November 11th, the RPO still find time to record prestige film and tv scores. Their latest commission is DEBBIE WISEMAN's score to the major French production ARSENE LUPIN. Orchestral Supervision provided by Tadlow Music.

### THE PRO ARTE ORCHESTRA

An "All-Star" line-up of Britain's best session musicians recorded DEBBIE WISEMAN's "source music" for ARSENE LUPIN at Angel Studios on September 26th.

### CROUCH END FESTIVAL CHORUS

Crouch End Festival Chorus have just finished recording an album of THE CHORAL ANDREW LLOYD WEBBER for Silva Classics.
